より良い豊かで安心できる社会作りに貢献する

This is to certify that

株式会社南九州マツダ

The Sustainable Development Goals are the blueprint to achieve
a better and more sustainable future for all.

They address the global challenges we face, including those related to poverty, inequality,
climate, environmental degradation, prosperity, and peace and justice.

The Goals interconnect and in order to leave no one behind,
it is important that we achieve each Goal and target by 2030.
